Asclepias incarnata
Jul-Sep

L. Butterfly Milkweed
Asclepias tuberosa
Jun-Aug

M. Black Eyed Susan
Rudbeckia hirta
Jul-Oct

N. Giant Hyssop
Agastache foeniculum
Jun-Sep

Designed for the area between sidewalk and street side this garden plan includes plants that can take full sun and hot, dry, compacted soil conditions often found in such a location. Mix up this design to suit your space, pay special attention to plant heights if planting near an intersection where visibility might be a concern.

For more information about the plant selections, or for other garden plans visit snetsingerbutterflygarden.org
