

POLLINATOR POCKET SIZE = 8' X 8'

BLOOM COLOR

BLOOM TIME

Designed for a corner, property edge, or center island in full sun. Taller plants are placed towards the back (upper left corner in this view) and gradually grow shorter towards the front. We've included multiple plantings of fewer species for a "full" look in a small space.

For more information about the plant selections, or for other garden plans visit snetsingerbutterflygarden.org

DESIGN: PAM FORD AND JUSTIN WHEELER

- | | BLOOM COLOR | BLOOM TIME |
