|  | <b>M</b> White Wood Aster<br><i>Eurybia divaricata</i><br>syn. <i>Aster divaricatus</i>                    | <b>Aug - Oct</b>                     |

DESIGN: PAM FORD AND JUSTIN WHEELER

This garden plan demonstrates plantings appropriate for a full sun to partial shade area near a tree line or woodland edge (indicated by shaded area). Mix in some spring blooming bulbs and annuals for a colorful show all season long.
